

## ***Installation Instructions for 83550 to 83558***

### ***1/4" Drive Fastener***

#### **Installation Instructions:**

- Thread locker, JEGS part # 555-28080, is recommended on the portion of the set screw to remain in the cylinder head, intake manifold or fastener.
- The set screw can be installed into the fastener or intake manifold (*carburetor stud*) / cylinder head (*valve cover stud*).
